

Australian Working Retriever Central

Retrieving Trial Dog of the Year

The purpose of the award is to recognise the Retrieving Trial Dog which most consistently wins or places in retrieving trials over the course of a calendar year.

Registered gundogs competing in Novice, Restricted, All Age and Championship Retrieving Trial Stakes conducted under the ANKC *Rules for the Conduct of Retrieving Trials* (effective Jan 2005) are awarded points for First, Second and Third places as follows:

	First	Second	Third
Championship Stake	12	11	10
All Age Stake	9	8	7
Restricted Stake	6	5	4
Novice Stake	3	2	1

Points are not awarded for events that have not been sanctioned by the State controlling bodies (eg sweepstakes) or for events that are not open to all Gundog breeds in group three.

The results are compiled based on results published on the Australian Working Retriever Central Bulletin Board website (www.australianworkingretrievercentral.org.au/bb) and must be able to be verified.

The Moderator of the AWRC website (or delegate) will calculate the winner of the Award.

Notification of the winning dog will be published on the AWRC.
