Re: Remittance form for the NSW State Championship & the National Championship

Dear Trialler,

I have received information from the Treasurer for the above trials that, contrary to the advice I sent out to you on the Remittance Form, the following points should be noted:

- Cheques for the NSW State and Draw Dinner should be made payable to the “NSW State NSRT Championship”
- Cheques for the National and Draw Dinner should be made out to the “Committee for the National Retrieving Trial Championship”
- Please DO NOT send one cheque to cover both trials. Apparently a single cheque creates complications with the bank accounts.

I was endeavouring to save you having to write two separate cheques but it hasn't worked out as I intended.

I have enclosed an adjusted remittance form so please use this one with your entry.

Thank you for your cooperation and my sincere apologies for any inconvenience.
Kind regards,

Mary Law
